

Gen 1:26-27

Then God said, "Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth." So God created man in His own image; in the image of God He created him; male and female He created them.

"God is in the trees, the flowers, and the rocks"

"God is Mother Earth"

"We all evolved from monkeys"

No, no and no. If you read the story of creation in the book of Genesis, God never says *Let Us make the sun, the water, the fish, the trees, the plants or anything else in Our image*. No, not until He gets to the creation of man and woman. Then He says *"Let Us make man in Our image, according to Our likeness"* and after He does he says to *"let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth."*

So if you have the mindset that God is in the trees, plants, rocks, sun, moon, stars and everything else. Then you must have the mindset that we as humans have dominion over God.

"No, not at all Steve. It's just that God is in everything."

Ok, then show me in the bible where it says that God is in everything. Also show me where God would want us to have dominion over Him, because if God is in everything, like a tree then the bible says to *"let them have dominion over"* which would mean that we would have dominion over God, because you are saying that He is in a tree.

Also during the creation account in Genesis, God always says, *"God saw that it was good."* Except one time, God said, *"It is not good"* and when did He say this?

† **Gen 2:18** *And the LORD God said, "It is not good that man should be alone; I will make him a helper comparable to him."*

Notice God never said, *"Oh you poor little tree, it's not good for you to be alone, so I will make a tree comparable to you."* No, we as humans are uniquely made, because if you think about it, God never said that He would make someone comparable to the animals, including those who have the mindset that we came from a monkey or an ape.

No, God said this only to man, because God knows it's not good for any human to be alone, because we are made in His image, and to be in His image is not to be alone. How so? Simply the Trinity, **"God, Jesus and The Holy Spirit"**

So, go to the zoo or on a safari in Africa and enjoy the animals. Take a hike in the mountains and enjoy the trees and plants. Go to the Grand Canyon and enjoy the rock formations and cool colors in the earth and rocks. Gaze at the moon and stars at night and enjoy the romance of them. But never, EVER worship them or call them God or any part of God. They are just all of God's creation. But we on the other hand, are a part of God, because only in man did God breath life into, nothing else!

† **Gen 2:7** *And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living being.*
