

Hab 1:5

***Look among the nations and watch--
Be utterly astounded!
For I will work a work in your days
Which you would not believe, though it were told you.***

Now-a-days, you can't watch TV or listen to the radio or even drive downtown without sin being right in your face.

But my question for you today is, are you praying for this nation? Sure you may be praying about the possibility of going to war with Iraq, but are you praying for this nation?

Once a year there is a National Day of Prayer, which is a good thing. But we shouldn't just pray once a year for our nation, but everyday.

Just think if all Christians would pray everyday for this nation, how much of a change would happen.

I believe if we did as God says:

***For I will work a work in your days
Which you would not believe, though it were told you.***

Then we would be: ***Be utterly astounded!***
