

## 2 Cor 11:4

***For if he who comes preaches another Jesus whom we have not preached, or if you receive a different spirit which you have not received, or a different gospel which you have not accepted--you may well put up with it!***

If you saw a bottle that had a skull and cross bones and it said poison on it, would you drink what was in it? Of course you wouldn't, because you know that it would harm or even kill you if you did. We all have these sorts of things around our homes like bug killers, and charcoal fluid, etc. We make sure that the child proof lids are on tight and that they are out of reach from our children, because we want to protect them from this poison.

So one day a couple of guys or girls come knocking on your door, they claim to be Christians and offer you a book called "*The book of Mormon. Another Testament of Jesus Christ*". So do you take it or run from it?

I guess the first question would be, why would you want to run from it, because it tells about Jesus? Look at the title again "*The book of Mormon. Another testament of Jesus Christ*". Did you catch that second part? "*Another testament of Jesus Christ*"

Does it sound familiar? It should because we just read about such a thing in today's devotional verse.

† ***For if he who comes preaches another Jesus whom we have not preached, or if you receive a different spirit which you have not received, or a different gospel which you have not accepted--you may well put up with it!*** (underlined for emphasis)

They are teaching ***another Jesus*** not the one in the bible, which would also make it a ***different gospel***

They teach that Jesus is not God and that He is the half brother of the devil. Both are totally opposite of what the bible teaches. There are many other things as well, but basically on the cover of this book of Mormon it has a skull and cross bones as well as the word poison. No you can't see them or read it, but the title represents these things "*Another testament of Jesus Christ*"

So do you take it or run from it. If you are a babe in Christ, I would encourage you not to take it because it can poison your mind. Stick to the bible and you will be alright.

If you are mature in Jesus Christ, thank them and let them keep it. Also share the real Jesus with them, the Jesus of the bible. Not out of anger or hatred towards them, but in the same love that Jesus want's to revel Himself to them.

† **1 Chronicles 16:23b Proclaim the good news of His salvation from day to day.**

† **1 Thessalonians 2:13** *For this reason we also thank God without ceasing, because when you received the word of God which you heard from us, you welcomed it not as the word of men, but as it is in truth, the word of God, which also effectively works in you who believe.*
