

Isaiah 28:23

*Give ear and hear my voice,
Listen and hear my speech.*

I remember years ago, I didn't like to fly, even though I had to fly a few times. But it scared me when I did, and I didn't like it at all. I also remember back then that when we were on the plane, that the stewardess would talk over the loud speaker before take off, giving instructions incase of an emergency, and I would listen to every word she said, because I didn't want to die in a plane crash because of my fear of flying.

But then a few years later, because of a new job that I had, I had to fly several times a year, and I ended up liking it. I didn't like having to deal with the airport terminals, all the people and the layovers, but once we were in the plane and in the air, I rather enjoyed it. So when the stewardess would talk, I got to the point that I would just ignore her, because I was not worried about it and I've heard it all before.

We as Christians are like those stewardess', yet we are proclaiming God's word, warning people of what they may be headed for if they continue to reject Jesus Christ. Some people do pay attention and listen, and they get saved, just like we are.

But then there are those who think that they will live forever, or that they won't go to hell. They are like those people on the plane who don't pay attention to the stewardess and think, "*It will never happen to me*". Unfortunately, when they finally do find out that it will happen to them, it's too late and they end up crashing and burning (no pun intended... ok, maybe a little).

So go ahead and be a Christian stewardess and warn others, showing them the way to salvation. You will find that many won't listen. But then you will find some that will listen, and when that time comes for them to leave this earth, they will be glad that they did, because we are all headed to the same destination as believers, Heaven to be with our Savior Jesus.

† **Hebrews 3:13 (NLT2)** *You must warn each other every day, while it is still "today," so that none of you will be deceived by sin and hardened against God.*

† **Psalm 16:10-11 (MSG)** *You canceled my ticket to hell— that's not my destination! Now you've got my feet on the life path, all radiant from the shining of your face. Ever since you took my hand, I'm on the right way.*
