

Isaiah 40:18

To whom then will you liken God? Or what likeness will you compare to Him?

What or who can you compare to God? What a wonderful question. But have you ever thought about that question? We look to the heavens and see the stars and try to compare God to a night sky filled with a multitude of shining stars. Or what about all those vast universes and planets and stars we see from pictures taken with the Hubble telescope?

One of my favorite things to look at is a beautiful sunset or even a sunrise full of colors. I know when I went to Israel I captured a fantastic sunrise 30 stories up in the hotel I was in next to the Dead Sea. It was amazing with the sun with it's oranges and reds in the sky as well as the reflection in the water.

What about when you are watching a nature show or shows that have these amazing creatures deep in the ocean, those ones that make you go, **“Wow. What an awesome God we have!”**

But here is another thought and something to think about when you try to figure out what you can compare God to. Everyone of the things I mentioned, God created them all. All the amazing and weird and wonderful animals in the sea, or on land, Yep God created them.

If you think about it, anything, and everything that you can think of, God created. Sure there are things man made (But all were created from God's resources, not man's) but all the material to make those things, God made.

So when you try to compare God to anything, all you are doing is trying to compare Him to what He created. Therefore, there is nothing in the heavens or the earth that can be compared to God!

† *Colossians 1:16-17 For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him. And He is before all things, and in Him all things consist.*
