

Isaiah 5:20

Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness; Who put bitter for sweet, and sweet for bitter!

I am 60 years old, and in the past 60 years I have seen so many things change. But let's not even go that far back, how about just 20 years back and how things have changed.

20 years ago, we never would have thought that we would have a hand held computer that we would use as a phone, talking to anyone we wanted to in the world and not having long distance charges. Along with that, this little hand held phone you could actually watch an entire movie or TV on it. And you could actually not just talk to a person, but see them face to face. This was only thought possible in the old Dick Tracy comic books with a wristwatch.

No, things have changed, and this new fangled hand held phone seems like a good thing, which in some cases it is. But what about some of the other changes that have happened in just the last 20 years?

The world says that abortion is ok and acceptable and you should not judge someone who wants an abortion. ***Woe to those who call evil good***

The Bible calls it Murder. ***and good evil***

The world calls LBGT a way of life and that everyone has the freedom to be what they want, with who ever they want. ***Woe to those who call evil good***

The Bible calls it Sin ***and good evil***

The world says sex before marriage is perfectly fine and even encourages it before marriage, and if you and your fiancé do not have sex first, they think something is wrong with you. ***Woe to those who call evil good***

The Bible calls it Fornication. ***and good evil***

The world says to give to those in need as long as you let everyone know about it and you get some kind of recognition in return. ***Woe to those who call evil good***

The Bible says that you have received your reward here on this earth for doing that, and will have nothing to show for it in heaven. ***and good evil***

The world says to legalize marijuana (pot) and enjoy it, along with drinking to your hearts content, just don't drive while you do. ***Woe to those who call evil good***

The Bible calls it witchcraft and drunkards. ***and good evil***

Shall I go on, or do other things come to mind as you are reading the list? And why do I say these things. Simply based upon today's devotional verse.

† *Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness*

† **Habakkuk 1:2-4 (NLT2)** *How long, O LORD, must I call for help? But you do not listen! "Violence is everywhere!" I cry, but you do not come to save. Must I forever see these evil deeds? Why must I watch all this misery? Wherever I look, I see destruction and violence. I am surrounded by people who love to argue and fight. The law has become paralyzed, and there is no justice in the courts. The wicked far outnumber the righteous, so that justice has become perverted.*
