

## James 2:19

***You believe that there is one God. You do well. Even the demons believe--and tremble!***

A couple days ago it was April 1<sup>st</sup>, which we call April Fool's Day. Every April 1<sup>st</sup> I like to post the following verse:

† **Psalm 14:1** *The fool has said in his heart, "There is no God." They are corrupt, They have done abominable works, There is none who does good.*

And I do it reminding the atheists that they actually have a day for them to celebrate, but also that there really is nothing to celebrate by being an atheist.

But one thing atheist don't realize is there is no such thing as an atheist demon. Did you see it in today's devotional verse?

† ***You believe that there is one God. You do well. Even the demons believe--and tremble!***

So what's so cool about being an atheist if that makes you more ignorant than a demon?

What are demons? Well, they used to be angels who actually saw and served GOD, yet they chose to rebel against GOD and follow Lucifer (the devil) and they were cast out of heaven.

† **Isaiah 14:12** *How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, You who weakened the nations!*

† **Revelation 12:7-9 (NLT)** *Then there was war in heaven. Michael and his angels fought against the dragon and his angels. And the dragon lost the battle, and he and his angels were forced out of heaven. This great dragon—the ancient serpent called the devil, or Satan, the one deceiving the whole world—was thrown down to the earth with all his angels.*

So, are you a Walking Dead fan, or a fan of vampires, magicians (Harry Potter etc...)? Well you are using demons (Those who rebelled against God) as your entertainment and pleasure. And they (the demons) are loving every minute of it, because you are believing the lies that there is no such thing as demons or it's just a TV show or a movie, and it's not real. Just as the atheist are believing the lie that there is no God (It's a lie because the demons who are telling them that know for a fact that there is a GOD and there is only One True GOD). In the same way you are believing the lie that it's just a show, or entertainment and it's not real, so it's okay to watch, and actually worship.

You don't worship it, if you had a choice between watching one of those shows or going to church that night, which would you choose?

† **Joshua 24:15** *And if it seems evil to you to serve the LORD, choose for yourselves this day whom you will serve, whether the gods which your fathers served that were on the other side of the River, or the gods of the Amorites, in whose land you dwell. But as for me and my house, we will serve the LORD.*

Yeah, I love this verse, you may be thinking. But are you living it, or are you allowing demons, *the gods of the Amorites*, to enter your home and entertain you and your family?
