

Jeremiah 18:7-10

The instant I speak concerning a nation and concerning a kingdom, to pluck up, to pull down, and to destroy it, if that nation against whom I have spoken turns from its evil, I will relent of the disaster that I thought to bring upon it. And the instant I speak concerning a nation and concerning a kingdom, to build and to plant it, if it does evil in My sight so that it does not obey My voice, then I will relent concerning the good with which I said I would benefit it.

Gay marriages, gay preachers, child molesters in the pulpit, thousands of babies aborted every month, free sex as long as it's safe with whomever you want, a couple staying married for over ten years, it's a rarity.

We could go on and on, but all these things represent the USA and the way we live.

We blame our Leaders, even though we are the ones who voted for them.

We blame TV and the Internet, yet we are the ones who choose to look at them.

We blame our schools and even our neighbors.

It's time to stop blaming and just stop all the sin in this nation.

Don't forbid your children from watching those types of movies or playing those types of video games if you want to do the same. The change has to happen, and it has to start in our own homes. We are walking on thin ice here in the USA.

But there is a hope for our nation.

† ***if that nation against whom I have spoken turns from its evil, I will relent of the disaster that I thought to bring upon it.***

This nation was built upon God, by Godly men who loved the Lord and His word.

Now we want to get rid of the One who created this nation, GOD.

† ***And the instant I speak concerning a nation and concerning a kingdom, to build and to plant it***

Once again, we are a blessed nation, but for how long?

† ***if it does evil in My sight so that it does not obey My voice, then I will relent concerning the good with which I said I would benefit it.***

The choice is ours.

† ***The instant I speak concerning a nation and concerning a kingdom, to pluck up, to pull down, and to destroy it, if that nation against whom I have spoken turns from its evil, I will relent of the disaster that I thought to bring upon it.***
