

## John 18:10-11

***Then Simon Peter, having a sword, drew it and struck the high priest's servant, and cut off his right ear. The servant's name was Malchus. So Jesus said to Peter, "Put your sword into the sheath. Shall I not drink the cup which My Father has given Me?"***

*"Yea, I think we should do that."*

*"Let's go for it, it seems like the right thing to do."*

*"Sure I'll buy that because it's what I need."*

Simple things we say and do in the church and even in our own lives. However, how much do we pray about things before we jump into them? The plan for church growth sounds good so we jump right into it, but do we pray about it? Maybe the Lord has other plans and knows if you do it your way, you are wasting a lot of time and money. Maybe the Lord has a better way, and if the Lord has another way, then you know it is a better way.

We do the same thing with our lives, buying homes and cars and making big decisions without asking for guidance from the Lord. Sure, that car or house deal may sound good right now, but does the Lord have a better car or house for a better price waiting for you? You won't know unless you ask.

Even in marriage we jump into and go by our feelings without even checking with the Lord. Sure, he or she may be a Christian, but is he or she really the Christian that the Lord wants you to spend the rest of your life with?

Have you ever considered asking the Lord once in a while, *"Where should I go for lunch today?"* Some think that's too small of a thing to ask the Lord about, or that He has more important things to do than tell you where to go eat. Think of it this way, God created the atom, He knows what small is and a restaurant is bigger than an atom. So ask Him, because maybe He wants to use you somewhere and will send you there, or simply save you from getting food poisoning.

Big decisions or little ones, share them with the Lord. He wants you to share your whole life with Him, not just when you have a big decision to make. And when you are including the Lord in your big and little decisions, that is just what you are doing, sharing your whole life with Him.

† ***Psalm 16:11 You will show me the path of life; In Your presence is fullness of joy; At Your right hand are pleasures forevermore.***
