

John 15:5

I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing.

Today I am going to burst some of your spiritual bubbles and maybe even cause some of you to take a certain bumper sticker off of your car. It's a common saying that is totally non-scriptural. So what is it?

“Jesus is my copilot”

I never liked that saying because it's so wrong. Why, because for Jesus to be your copilot, that means you are the pilot, which means you are in charge, not Jesus, which goes against today's devotional verse where Jesus clearly says: ***for without Me you can do nothing.***

I don't know about you, but when I try to pilot my own life, I mess up and get off course every time. But when I am following Jesus, it's never off course but He takes me where He wants me to go, which is far better than anywhere I think I should be going.

To be a pilot and have Jesus be your copilot would be to live out this proverb.

† **Proverbs 14:12** *There is a way that seems right to a man, But its end is the way of death.*

But for Jesus to be the pilot of your life is to live out this Psalm.

† **Psalm 16:11** *You will show me the path of life; In Your presence is fullness of joy; At Your right hand are pleasures forevermore.*

So, which path do you want to follow? If you are the pilot, your path *is the way of death.*

But if you let Jesus be the pilot of your life, then your path *is fullness of joy; At Your right hand are pleasures forevermore.*
