Prov 15:3

The eyes of the LORD are in every place,
Keeping watch on the evil and the good.

I have two websites that I maintain, one for the Bible Study/Devotionals at www.UseTheSword.com and for my music site at www.PraiseWarrior.com But in order to do these I have to use software that is on my computer to create and publish them.

But I was thinking today that this same software that I use for teaching God's word and sharing my worship songs; others would use the same software to create websites of evil and sin. They will use it to promote pornography , hatred and any other evil they can think of.

The same is true of anything that we have, whether it is our jobs, our homes, our cars, our clothes, and even our food. God has provided all things that we each have, but it's up to us what we will do with it. Either use it for good or for evil. To help others, or to feed our own lusts.

> ✠ **James 1:17** *Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning.*

God created the earth in six days and saw that is was good. Then God gave it to man to tend, and man has taken the good that God created and filled it full of evil.
God can give you a brick to make a house, or you can use that same brick to kill someone by smashing it over someone's head.
God give us all good gifts, but it's us who can make these good things into bad.

How are you using the good things that God has given you, for good or for evil?

> ✠ **1 Timothy 6:18 (NLT2)** *Tell them to use their money to do good. They should be rich in good works and generous to those in need, always being ready to share with others.*
