

Proverbs 28:6

Better is the poor who walks in his integrity Than one perverse in his ways, though he be rich.

When I read today's Proverb, it reminded me of how people, both in the world and even some Christians live the opposite of what it says. Read it again: ***Better is the poor who walks in his integrity Than one perverse in his ways, though he be rich.***

Yet how many bless the rich and famous and want to even be like them, even though a lot of them are perverted in their ways. So many non Christian musicians are so perverted it's not even funny, and they love to exploit their perversion onstage for all to see, and they do even more so in the music videos they create. Back in the day, these videos would be considered "R" rated and not even allowed on TV, yet now they are available for all, including children to see and watch over and over as many times as they want and whenever they want to. All they have to do is pull out their phone in school, church, the playground, etc... and show their little friends these music videos.

But it's not just kids, but so many adults do so as well, watching these guys and girls being a button away from total nudity and no imagination is needed to see that they are having sex. But it's ok people think (including some Christians) because it's a music video, not a porn movie at an "X" rated movie theater. Just because someone is singing does not make it ok to watch such things as a Christian, and if their videos are portraying these things, then the music should not even be listened to as well.

"Oh, you are getting so legalistic" some will think. One phrase the Holy Spirit gave me a long time ago and that is, "Are you making the sins that Jesus died for on the cross, as your entertainment?" It's not legalism, it's the word of God, and if you are finding sin to be entertaining, then who are you really serving, God or your flesh and the sins of the World.

† **1 John 1:5-7** *This is the message which we have heard from Him and declare to you, that God is light and in Him is no darkness at all. If we say that we have fellowship with Him, and walk in darkness, we lie and do not practice the truth. But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from all sin.*
