

## Psalms 97:5

***The mountains melt like wax at the presence of the LORD,  
At the presence of the Lord of the whole earth.***

As I was driving the other day, I was listening to a worship song, and it was talking about how the mountains will melt away at the Lord's appearance.

Have you really thought about what that means?

I know for myself, when I am in front of a mountain, it doesn't do a thing, it just sits there not even knowing that I am there. What about you, do the mountains know you are there and tremble at the sight of you?

I didn't think so.

But our God is so awesome that "***The mountains melt like wax at the presence of the LORD, At the presence of the Lord of the whole earth.***" How awesome do you have to be for this to happen? I know of no other person that can cause the mountains to tremble at their appearance, do you?

So keeping all this in mind, what problem has been coming your way lately that you haven't been able to take care of?

Who is troubling you so much that you fear them?

What creditors are calling or knocking on your door?

Who has been causing you anguish and sleepless nights?

Are these people, or this person so mighty that the mountains tremble at their presence?

If God is our God, then why do we fear such little things compared to our God?

So next time a problem comes your way, ask the Lord to make His presence so that the problem melts away, just like those mountains will when the Lord appears.

† **Jeremiah 32:27** *Behold, I am the LORD, the God of all flesh. Is there anything too hard for Me?*

† **2 Peter 3:10-13** *But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise, and the elements will melt with fervent heat; both the earth and the works that are in it will be burned up. Therefore, since all these things will be dissolved, what manner of persons ought you to be in holy conduct and godliness, looking for and hastening the coming of the day of God, because of which the heavens will be dissolved, being on fire, and the elements will melt with fervent heat? Nevertheless we, according to His promise, look for new heavens and a new earth in which righteousness dwells.*
